

Applicant: Wiethoff et al.
Application No.: 10/587,065

In the Specification

Applicants submit herewith a marked-up specification and substitute specification. Paragraph numbering and section titles have been included in these specifications for convenience; references in the description to the claims have been deleted; and minor grammatical errors have been corrected. No new matter has been added by these changes.

In paragraphs 0030, 0045, 0070, 0085, and 0090 the term "portion" has been replaced by - - area - -.

In paragraphs 0032 and 0095 the term "lightness" has been replaced by - - optical lightness - -.

Also, in paragraph 0132, - - and through a conduit 123 - - has been inserted after "the throttle 124."

Paragraph 0134 has been amended to insert - - by an optical system 102 - - after "image processing."

Both of these changes correct obvious omissions and are not new matter.

In the Drawings

A replacement drawing sheet including Fig. 5 is submitted herewith with numeral 108 deleted.
